## INFORMATION DISCLOSURE STATEMENT

Sir:

The Examiner is respectfully requested to consider the references, copies enclosed, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached substitute for form 1449/PTO, based on PTO form PTO/SB/08A and 08B. A copy of a supplemental European Search Report is enclosed herewith. All three of the references cited in this supplemental search report have previously been made of record in an Information Disclosure Statement submitted on Nov. 30, 2006, and are not enclosed herewith.

Each item of information contained in this information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this information disclosure statement.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of a substitute for form 1449/PTO, based on PTO form PTO/SB/08A and 08B is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that this submission does not require the payment of a fee. If this is not correct, please charge any required fee to deposit account no. 07-1969.

Respectfully submitted,
